LITTLE ROCK, ARK.

ICE CREAM—MANUFACTURE AND SALE.

SEC. 1. From and after August 25, 1911, it shall be unlawful for any person, firm, or corporation to manufacture, in the city of Little Rock, ice cream for the purpose of sale unless such person, firm, or corporation shall have the license hereinafter described authorizing the manufacture and sale of ice cream.

SEC. 2. Any person, firm, or corporation desiring to engage in the manufacture of ice cream for sale in this city, after August 25, 1911, must apply to the city milk and dairy inspector for an inspection of his, her, or its premises and apparatus, and for a permit to engage in said business. Immediately the said inspector shall inspect said premises and apparatus, and, if satisfied of sanitary conditions, he shall issue a permit to said applicant, upon presentation of which to the city collector, and the payment of \$20, as annual license fee, a license shall be issued authorizing the applicant to manufacture ice cream for sale. Said license fee shall be due and payable on or before August 25, and expire August 26 of each year.

SEC. 3. Upon application being made to the milk and dairy inspector an examination of the premises and apparatus shall be made, and the same shall comply with the following specifications in every respect, or the permit to engage in such business shall be denied:

1. The ice-cream plant must be properly screened.
2. The floors, walls, and ceiling must be sanitary.
3. The water closets and urinals must be separate from the plant.
4. The room used for mixing cream must be close-ceiled, properly ventilated and screened, and with no insanitary surroundings.
5. The utensils used in the manufacture or distribution of the cream must be of porcelain or granite ware, or shall be lined with tin or other noncorrosive material, and must be kept in good condition.
6. All labor employed in or about the said establishment, and all persons engaged in said manufacture or sale, must be cleanly, both in person and attire.
7. Every person or employee connected with the business shall wear a suitable garb and free from disease. Report must be made at once to the city physician of the sickness of any employee connected with such business, giving the name of the attending physician, by the person, firm, or corporation so engaged.
8. The cans must be sterilized at a temperature of 212° F., and for not less than 15 minutes, and a suitable room must be provided where sterilized cans can be kept and their sterility maintained.
9. No ice cream shall ever be returned or exchanged after once leaving the plant.
10. Aniline dyes must not be used, nor must same be found in the ice-cream plant.
11. No one, with the exception of the employees, shall be permitted in the plant, except on official business.
12. The ingredients used in the manufacture of the ice cream must be fresh and properly preserved, and under no circumstances shall decayed or overripe fruit ever be used in the manufacture of the cream.
13. No milk shall be used in the manufacture of ice cream which contains over 400,000 bacteria per cubic centimeter.

SEC. 4. The milk and dairy inspector shall make a careful and thorough inspection of every ice-cream plant in the city monthly, and oftener if necessary, and any person, firm, or corporation violating any provision of this ordinance or any of the requirements or specifications named above, shall be deemed guilty of a misdemeanor, and, upon conviction in police court, shall be fined not less than \$10 nor more than \$50, and each violation shall be considered and treated as a separate offense and punished accordingly, and the license of the offender may be revoked by the police judge.

SEC. 5. All drug stores, confectionery stores, restaurants, and other places of business, selling or offering for sale ice cream, are hereby required to keep their premises and apparatus in a sanitary condition, and their employees and attendants cleanly, both
